## **NEW LEVIES FOR SPORTBOATS AND ONE DESIGN BOATS**

### **PROPOSAL**

To adopt the same levy of 50% of ORC Club for Sportsboats and One Design Boats.

### **RATIONALE**

The ManCom proposed (following its minutes) to the Congress at the AGM 2016 to adopt the same levy of 50% of ORC Club for Sportsboats and One Design Boats. While there has not been any detailed discussion about this at the Congress meeting, the wording in the Minutes has changed to "Sportboat One Design Certificates."

This was obviously not the intention of the ManCom. This point has to be clarified, as owners of small Sportsboats should not pay the same levy as owners of 20 meter yachts.
